

INTERAGENCY OPERATIONS GROUP

MISSION STATEMENT

(Restated: February 11, 2003)

The Interagency Operations Group will promote the County's vision for children and families by facilitating and accelerating the implementation of effective, integrated services and generating solutions to remove operational barriers.

IOG WORK PLAN GOALS

(Adopted: February 11, 2003)

- Increase County staff's knowledge of other agencies systems, mission, language, disciplines and funding streams and develop managers and staff committed to collaboration and integrated services;
- Support change within IOG Member agencies to achieve the IOG Mission;
- Maximize opportunities to improve outcomes through service integration;
- Promote and support community-based assessment, planning and evaluation.
